INTERSTATE MESSAGE TELECOMMUNICATIONS SERVICE

Section 1 - General Tariff Information

1.1 General - This tariff contains rules, regulations, and rates for interstate long distance services offered to Ben Lomand Communications, Inc. (Company) subscribers. Ben Lomand Communications, Inc. (Company) provides interstate telecommunications services to all other states. Service is available 24 hours a day, seven days a week. The charges specified in this tariff are in payment for all service furnished between the calling and called service points.

1.2 Explanation of Symbols -

- D - to signify discontinued rate or regulations
- I - to signify increase
- R - to signify reduction
- S - to signify reissued matter
- T - to signify a change in text but no change in rate or regulation
- Z - to signify a correction
- M - to signify matter relocated without change
- C - to signify changed regulation
- N - to signify new rate or regulation

1.3 Liability of the Company -

A. The Company shall be indemnified and held harmless by the Customer against:

1. Claims for libel, slander, infringement of copyright or unauthorized use of any trademark, trade name or service mark arising out of the material transmitted over the Company's facilities; and
2. Claims for patent infringement arising from combining or connecting the Company's facilities with apparatus and systems of the Customer; and
3. All other claims arising out of any act or omission of the Customer in connection with any service provided by the Company.

Issued: April 22, 1997

Section 1 - General Tariff Information (cont.)

1.3 Liability of Company (cont.)

B. The Company shall be indemnified and held harmless from any and all loss, claims, demands, suits, or other action, whether suffered, made, instituted, or asserted by the Customer or by any other party or persons, for any personal injury to, or death of any person or persons, and for any loss, damage, defacement or destruction of the premises of the Customer or any other property, whether owned by the Customer or others, caused or claimed to have been caused directly or indirectly by the installation, operation, failure to operate, maintenance, removal, presence, condition, location or use that is not the direct result of the Company's negligence. No agents or employees of other carriers shall be deemed to be agent or employees of the Company.

C. The liability of the Company for damages arising out of mistakes, omissions, interruptions, delays, errors or defects in transmission occurring in the course of furnishing service, and not caused by the negligence of the Company, shall in no event exceed an amount equivalent to the proportionate charge to the Customer for the period during which the call was affected. No other liability shall in any case attach to the Company.

D. The Company and/or Customer shall not be liable to the other for any failure of performance due to causes beyond its control including fire, flood, epidemic, earthquake, other acts of God, explosion, strike or other labor disputes, riot or civil disturbance, war (whether declared or undeclared) or armed conflict, failure of common carrier or "carrier's carrier" or municipal ordinance, any state or federal law, governmental order or regulation or order of any court, or any other occurrence not within the control of Carrier or Customer, as the case may be.

INTERSTATE MESSAGE TELECOMMUNICATIONS SERVICE

Section 2 - Domestic Message Telecommunications Service

2.1 General - Rates, regulations, and materials in this section are for two-point service only, and apply to dial station, calling card, operator-assisted message services, and sent Paid Coin Calls for both resident and business services.

2.1.1 Application of Rate - The specific factors used to determine the applicable charges for a call are indicated on the respective rate schedules. Direct Distance Dialed measured usage charges are applied separately to Residence and Business classes of Service. Operator assisted measured usage charges are applied uniformly to residence and business classes of service. A banded rate schedule is utilized to minimize the frequency of tariff filings when a specific rate is changed. There are separate measured usage rate schedules for Residence and Business accounts.

A. Initial Period - Initial Period is the initial rate increment of a DMTS call. The initial period for all classes of service except Sent Paid Coin is one minute. The initial period for Sent Paid Coin is three minutes.

B. Additional Period - Additional Period is the rate element used to bill for the chargeable time when a DMTS call continues beyond the initial period. Additional Period begins when the initial period ends. The Additional Period for all classes of service except Sent Paid Coin is one minute. The Additional Period for Sent Paid Coin is three minutes. Additional Period rates apply to each additional period, or any fraction thereof, that charges able time continues beyond the initial period.

5. Off Peak Rate Period - The Off Peak Rate Period is 5PM to, but not including 8AM Monday through Friday, including holidays and all day Saturday and all day Sunday until 8AM Monday.

6. Holiday Rate Period - For the following holidays the Night/Weekend Period Rates or the Off Peak Rates are used, unless a lower rate would normally apply:

- | | |
|--------------------------|--------------------|
| New Years Day ** | Labor Day * |
| Martin Luther King Day * | Columbus Day * |
| Presidents Day * | Veteran's Day ** |
| Memorial Day * | Thanksgiving Day * |
| Independence Day ** | Christmas Day ** |

* Applies to Federally observed day only.

** When this holiday falls on a Sunday, the holiday calling rate applies to calls placed on the following Monday. When this holiday falls on a Saturday, the Holiday calling rate applies to calls placed on the preceding Friday.

In addition to the holidays listed above, the Night/Weekend Rate Period rate may also apply to Dial Station calls one additional day each year. The selected days may be holidays that are not nationally observed holidays.

INTERSTATE MESSAGE TELECOMMUNICATIONS SERVICE

Section 2 - Domestic Message Telecommunications Service (cont.)

2.1 General (cont.)

2.1.1 Application of Rate (cont.)

G. Computing the Charge for a Call - For the initial period, the rate applicable at the start of chargeable time at the calling station applies. For additional minutes, the rate applicable is that rate which is in effect at the calling station when the additional minute (s) begin. That is, if chargeable time begins during the Evening Rate Period, the Evening Rate applies to the initial period and to any additional minutes that the call continues during that rate period. If the call continues into a different rate period, the appropriate rates from that rate period apply to any additional minutes occurring in that rate period. If an additional minute is split between two rate periods, the rate period applicable at the start of the minute applies to that entire minute.

H. Rates Applicable for Persons With Hearing and/or Speech Disabilities - Reduced rates are available to qualified persons who have hearing and/or speech disabilities subject to the following:

1. Application - Persons who have been certified in writing by a licensed physician, audiologist, speech pathologist, or appropriate State or Federal agency as having a hearing or speech disability which precludes oral communications and who have and utilize a telecommunications device for long distance calling, will receive an adjustment on Customer dialed station calls which do not require the assistance of a company operator. The adjustment is applied to the appropriate rate schedules according to the following:

A. Calls placed during the Day Rate Period will be charged at the Evening Rate.

B. Calls placed during the Evening Rate Period will be charged at the Night/Weekend rate.

INTERSTATE MESSAGE TELECOMMUNICATIONS SERVICE

2.1 General (cont.)

2.1.1 Application of Rate (cont.)

2. Certification - The written certification of the speech or hearing disability must be presented to this Company which services the residence of the certified person.

3. Limitations - The adjustment is provided for use only by the Customer having the speech or hearing disability. It is only applicable to DMTS charges for calls originated from and billed to the Exchange Service number of the residence of the person with the certified speech or hearing disability. Only one Exchange Service number at a residence is authorized this rate adjustment.

I. Rates - The rates applicable to DMTS are listed in Section 4 following, as follows:
